# Projects

ServeWyoming promotes collaborative efforts among private, nonprofit and governmental organizations that advance community service, volunteer programs and activities in each Wyoming community. We also collaborate with other AmeriCorps and AmeriCorps\*Seniors programs such as AmeriCorps\*VISTA and RSVP. ServeWyoming gives every citizen an opportunity to help solve our biggest challenges in education, the environment, public safety, human needs, disaster, youth, and veteran and family services. Our mission is to improve lives and strengthen Wyoming through volunteerism.

In addition to coordinating funding for organizations throughout the state, our Commission has the role of developing, communicating and promoting a statewide vision and ethic of service in Wyoming. To attain this, we are working on a variety of projects which include:

## » AMERICORPS

## » AMERICORPS\*SENIORS

## » AMERICORPS\*VISTA (VOLUNTEERS IN SERVICE TO AMERICA)

## » EMERGENCY PREPAREDNESS

Serve as a neutral convener to mobilize and train volunteers in the time of an emergency or disaster.

## » PARTNERSHIP BUILDING

## » PROFESSIONAL VOLUNTEER NETWORK

## » PROFESSIONAL DEVELOPMENT & TRAINING

# Wyoming has Grit!

**SHELLY McALPIN**  
Executive Director,  
ServeWyoming

## Greetings from the ServeWyoming Team,

ServeWyoming has GRIT! I mean that in every sense of the word. We get things done and work hard to make sure our programs have the support they need. As we come out of the shadow of the challenging year that was 2020 and into the promise of brighter futures in 2021, I am reminded of the many ways our Wyoming AmeriCorps members and volunteers helped to address critical needs. In 2020, our Wyoming AmeriCorps members and volunteers quickly expanded their reach to serve our communities in: COVID related responses, service learning, teleservice, supporting youth and tutoring online, feeding and checking on older populations, dropping off supplies for those sheltering in place, helping at clinics, and serving in their traditional roles of environmental stewardship, aiding veterans and military families, teaching, helping alleviate food insecurities, and so much more!

ServeWyoming's mission is to improve lives and strengthen Wyoming communities through volunteerism. To accomplish this mission, ServeWyoming established a single resource and central clearinghouse for helping communities and individual organizations with volunteer support-related services, called Volunteer Wyoming. The goal of Volunteer Wyoming is to measurably increase the number and effectiveness of volunteers in Wyoming and to support nonprofits with volunteer recruitment, management, capacity building and sustainability.

This grit, determination and dedication to service has gained the attention of AmeriCorps, the agency (formerly the Corporation for National and Community Service) who has requested that ServeWyoming lead the charge in becoming the state's first National Service Hub. This will expand the National Service opportunities for Wyomingites looking to serve and the support offered to our many valuable nonprofits across the state.

Since 1994, ServeWyoming has provided funding and monitoring for AmeriCorps\* State programs across Wyoming. In 2007, the statewide volunteer resource database/website was created, called Volunteer Wyoming, connecting volunteers and agencies in need of their services across the state. Go to [www.serveyoming.org](http://www.serveyoming.org) and click on "Volunteer" to learn more.

In that time over, 4,000+ AmeriCorps members and AmeriCorps Seniors have served our state, earning \$7.8 million dollars in scholarships/education awards, and providing 3.2 million hours of service.

The Volunteer Generation Fund (VGF) joined the ServeWyoming family in 2018, providing community college service learning opportunities and matching students with a professional mentor to serve at a local nonprofit who has been awarded a service grant to complete a short-term capacity building project. Over 60 carefully selected Student Service Learners have been matched with nearly 30 highly skilled Professional Volunteer Network Mentors to complete specialized projects at 20+ selected agencies, providing more than 1,000 hours of service.

As part of the National Service Hub evolution ServeWyoming will be adding the Retired Senior Volunteer Program (RSVP) and Volunteers In Service To America (VISTA).

RSVP set its firm foundation in Central Wyoming through the dedicated service of Community Action Partnership of Natrona County, who has been the steward of this thriving 55+ national service program and helped to grow and expand the opportunities for seniors to participate in meaningful service for many years. We at ServeWyoming are honored to be in partnership with Community Action Partnership as this program transitions into a cornerstone legacy project under the ServeWyoming National Service Hub. We hope our leadership will honor the great legacy they have established for the communities served by RSVP. RSVP will bring nearly 175 volunteers 55+ in service throughout Converse, Fremont, and Natrona counties. RSVP volunteers will serve older adults, individuals struggling with food insecurity, those with disabilities, people living below the poverty level, and veterans. Volunteers will assist individuals through service activities such as meal delivery, transportation, companionship programs, food security programs, healthy activity instruction, providing services and volunteer capacity building.

AmeriCorps VISTA, which focuses on meeting poverty needs and alleviation, will be joining ServeWyoming. This is another opportunity for community organizations to receive a resource such as AmeriCorps VISTA Summer Associates where 30 members serving 11 locations in Casper and Cheyenne will dedicate 10-week in summer service. They will be serving in 1) COVID recovery, vaccination education, contract tracing, and workforce development; 2) supporting child summer learning experiences; or 3) assisting with food bank feeding programs.

There will also be 7 year-round AmeriCorps VISTA members joining the team service at locations all across the state. Some of those projects include helping with housing security, workforce development and education, and COVID economic recovery.

ServeWyoming is honored to bring this advanced level of National Service to Wyoming and continues to support and expand local volunteer needs across the state. That is the beauty of service, whether it's through AmeriCorps or general civic participation – the ability to improve lives while transforming communities through the power of our people. We appreciate your support and interest in our work and know that you, our partners, rely on us to deliver results. That responsibility is our constant driver, and we will continue our strong focus on proven approaches and programs enhancements to ensure Wyoming is stronger because of service.

# What is AmeriCorps?

AmeriCorps engages more than 75,000+ Americans in intensive service each year at nonprofits (both community and faith based), schools, and public agencies across the country.

**Since the program's founding in 1994, over ONE MILLION AmeriCorps members have contributed more than 1.2 billion hours of service (both community and faith based) across America while tackling pressing problems and mobilizing millions of volunteers for the organizations they serve.**

Governor Gordon announced the 2020-2021 AmeriCorps award recipients on September 9, 2020 eight deserving Wyoming programs that will have 165 members serving our state who will earn close to \$288,500 in Segal Education Awards. Members will apply their skills and ideals towards helping others and meeting critical community needs. As they serve, they also develop valuable job skills and experience, as well as earn a modest education award, which will enhance their careers and pay back student loans.

AmeriCorps\*State is a program of AmeriCorps, the agency which supports a wide range of community goals in Wyoming that engage citizens, along with thousands of other Americans across the country, in intensive community service each year in the areas of education, disasters, economic opportunity, environment, healthy futures, veterans and family services.

# Volunteer Opportunities

It is important to volunteers, community organizations, and ServeWyoming that we all take the necessary precautions when volunteering. We value that individuals want to volunteer in this time of need to ensure that the most vulnerable in our community continue to receive necessary services, however, personal health and safety are always of primary importance. If you are feeling ill or exhibiting symptoms, please consider ways to volunteer virtually or by phone to limit the potential for viral transmission. We encourage you to view the CDC recommendations for age limits and health status when considering volunteering.

# GIVE Pro Bono

Are you looking for ways to utilize your skills to make a positive impact on your community? Apply your skills to the greater good. Join ServeWyoming's Professional Volunteer Network (AKA Pro Bono)! This is a network of Wyoming professionals who are committed to driving social change in their communities by donating their time and expertise to help build the capacity of local nonprofits. This is a great opportunity to develop skills, teach others and learn more about the nonprofits in your community.

Rather than cash grants, ServeWyoming facilitates grants of professional consulting services called "Service Grants." Once you have applied, you will be matched with a qualified nonprofit that has been awarded a "Service Grant" that requires skills similar to your own. The Professional Volunteer Network member works with the nonprofit on a short-term, specific project designed to build capacity within their organization.

We are continually looking for ways to expand the program and are always in need of more professional volunteers willing to donate their time and expertise to a community organization in need.

Help us help the wonderful nonprofits that do so much in your county by applying to "Give Pro Bono" today!

**If you are interested in applying, please go to [www.servewyoming.org](http://www.servewyoming.org) and click on "Give Pro Bono" or call us at (307) 234-3428.**

# GET Pro Bono

Rather than cash grants, ServeWyoming facilitates grants of professional consulting services called "Service Grants." Awardees are granted the help of one of our Professional Volunteer Network (AKA Pro Bono) members who work in a variety of fields and are interested in sharing their skills with a qualified nonprofit.

The professional volunteer will work with your nonprofit for a short-term, specific project designed to build capacity within your nonprofit.

ServeWyoming partners with many organizations doing important work in a range of issue areas. Unfortunately, our own funding limitations keep us from awarding Service Grants to all organizations that apply and our ability to match you with the service you seek is highly dependent on the availability of professional volunteers. Organizations are strongly encouraged to apply as early as possible so we may also search for volunteers to fulfill the expertise you seek.

If you have questions regarding our grant criteria or the content of any of our Service Grants, please contact the ServeWyoming office and we will be happy to answer your questions.

**Please visit [www.servewyoming.org](http://www.servewyoming.org) and click on "Get Pro Bono" to review the grant criteria before you apply.**

## Apply your professional skills to the greater good in your community!

**Are you looking for ways to utilize your skills to make a positive impact on your community?**

Through a mutual partnership with Wyoming community colleges and nonprofits, ServeWyoming is re-launching the Professional Volunteer Network (PVN, AKA PRO BONO)/Service Learning (SL) Initiative. The PVN/SL Initiative is designed to lead, mobilize and engage Wyoming volunteers and degree-seeking community college students to give their time, professional expertise, and applied learning to nonprofits in need of volunteer management and capacity building support, in the form of short-term, training-focused projects known as Service Grants.

Join this network of Wyoming professionals and Student Service Learner teams who are committed to driving social change in their communities by donating their time and expertise to help build the capacity of local nonprofits. This is a great opportunity to develop skills, teach others, and learn more about the nonprofits in your community.

## Emergency Response Volunteers Needed!!

**Are you ready to help your community?**

**MAKE A DIFFERENCE IN YOUR COMMUNITY BEFORE, DURING, AND AFTER A DISASTER**

A major disaster could occur at any moment and quickly overwhelm the capacity of Natrona County's local response organizations. Recovery of our communities after a disaster is dependent on adequate resources and trained volunteers. Spontaneous unaffiliated volunteers who show up at disaster sites, though well meaning, can slow down the response process and place themselves and others at risk.

The pre-registration of potential volunteers enhances your community's ability to mobilize appropriate emergency response volunteers as needed to assist with an emergency response. By pre-registering with ServeWyoming, Natrona County residents will be prepared to use their valuable skills, talents and experiences when and where they are needed.

**ServeWyoming wants you to Get registered BEFORE a disaster strikes!**

## Erica C. AmeriCorps, Big Brothers Big Sisters of Northwest Wyoming

Our Washakie AmeriCorps member, Erica C., worked with fellow AmeriCorps members Teresa H., Tim W., and Stephanie M., to put together family activity bags for all of Big Brothers Big Sisters of Northwest Wyoming's Littles. They put fun games and shaved ice gift cards in them for family to use for a fun night together. Erica C. delivered each bag and checked in with Littles and their parents to see how they were doing during COVID. The families loved the bags. We have amazing AmeriCorps members that have been thinking outside the box to support the families in our program!

## Emily K., VGF, NeverForgoten77 & Reach 4A Star

Emily served as a Student Service Learner with two of our Service Grant recipients. In 2020 Emily served remotely for NeverForgoten77. Emily had this to say about her experience with NeverForgoten77, "The project allows people who have lost loved ones to suicide to have a safe place to talk. I was moved by their stories. They took something tragic that happened in their lives and decided to take their pain and help other people in the community who are going through the loss of a loved one. It is very inspiring to see." Emily returned to service in 2021 serving with Reach 4A Star. Emily is excited to see how this service opportunity will make a difference at Reach 4A Star.

## Barb M., AmeriCorps, Food Bank of Wyoming

Barb began her service with AmeriCorps at Food Bank of Wyoming as the AmeriCorps/Food Security Ambassador. Barb's first project was #HeartFull#TableFull, a wonderful unique February event designed to help children throughout Wyoming understand food insecurity. Children colored "Hearty and Friends" while exploring hunger and how hunger affects everyone. This event went to several counties in Wyoming and was well received, as this was the first year Hearty traveled to be colored in Wyoming. Barb was awed by the pictures that came back. Several Hearty pictures had statements written on them, "Save people from hunger, help others" and "Healthy Community, our community." Barb is honored to be part of stopping food insecurity in Wyoming.

## Gabi D., VGF, MLK Day of Service

Gabi is a Student Service Learner attending Casper College. Gabi served with the MLK/WY Equality Day-Casper Freedom Trail Project. This project provided Gabi the opportunity to meet some of Casper's most respected community members capturing oral histories from civil rights leaders and mapping the rich black history of Natrona County and surrounding areas. This experience shined a light on the influence of Dr. Martin Luther King Jr.'s work in the area and the continued work of those who continue the civil rights work begun by Dr. King.
