# Projects

ServeWyoming promotes collaborative efforts among private, nonprofit and governmental organizations that advance community service, volunteer programs and activities in each Wyoming community. We also collaborate with other Corporation for National & Community Service programs such as AmeriCorps\*VISTA and Senior Corps. ServeWyoming gives every citizen an opportunity to help solve our biggest challenges in education, the environment, public safety, human needs, disaster, youth, and veteran and family services.

In addition to coordinating funding for organizations throughout the state, our Commission has the role of developing, communicating and promoting a statewide vision and ethic of service in Wyoming. To attain this, we are working on a variety of projects which include:

## » AMERICORPS\*STATE

Provide funding to recruit AmeriCorps members and training to manage and operate AmeriCorps programs across Wyoming. Projects may vary to meet community needs and the application process begins in the fall of each year.

## » EMERGENCY PREPAREDNESS

Serve as a neutral convener to mobilize and train volunteers in the time of an emergency or disaster.

## » PARTNERSHIP BUILDING

Develop investments and partnerships to sustain ServeWyoming and the programs we support.

## » PROFESSIONAL VOLUNTEER NETWORK

Increase nonprofit capacity through the engagement of highly skilled volunteers.

## » PROFESSIONAL DEVELOPMENT & TRAINING

Increase grantee capacity and statewide awareness of national service through professional development, training and technical assistance, member development and outreach.

## » VOLUNTEER GENERATION FUND

Connecting community college students in service learning with nonprofit projects.

## » VOLUNTEER WYOMING

Serve as a resource to our communities and increase the number and effectiveness of volunteers in Wyoming.

# The Role of Volunteer and National Service

**SHELLY McALPIN**  
Executive Director,  
ServeWyoming

Dear Friends of ServeWyoming,

In this unprecedented time, I find myself reflecting on the role of volunteer & national service in helping our nation through tough times and what that history teaches us about how we should respond to crisis.

As Wyoming's statewide resource for volunteerism and service, we feel a responsibility to help unite our community, to use this moment to learn from one another, grow and become stronger. ServeWyoming exists to help solve our communities most challenging problems. We are designed to quickly use our resources to help with critical needs. We are Wyoming strong! I invite you to explore the COVID-19 Initiative and the many volunteer opportunities as a platform to support our community during this trying time.

**Wyoming AmeriCorps members are addressing critical needs for COVID-19 now** checking in on our seniors, providing food pantry warehouse support, providing non-contact delivery of meals, contacting local nonprofits to recruit/assist with enrollment in the Volunteer Wyoming digital volunteer and donation hub (COVID-19 Initiative), wellness checks, online school/support, and web-based professional development.

AmeriCorps programs do more than move communities forward; they serve their members by creating jobs and providing pathways to opportunity as they enter the workforce. AmeriCorps places thousands of people into intensive service positions where they learn valuable skills, earn money for education, and develop a strong sense of civic responsibility.

We believe that service is one way to extend a lifeline to a new future. In this time of unknowns and loss, we want AmeriCorps service to provide people who need it with a living stipend, health insurance, loan forbearance, and an education award; at the same time, they will in turn be improving the lives of others and strengthening communities. This combination – serving to receive help while helping others – can play a role in helping our state rebuild.

**You might be asking yourself, how can I help now? What is virtual volunteering?** Today's volunteering includes donating your virtual time and skills to help nonprofits in need. Instead of serving in person, people can find a new place to serve in the virtual world, remotely. This is an opportunity to volunteer from anywhere via phone, computer, or tablet to support a cause you care about. This service can take countless forms including: website design/support, mentoring, data entry, email marketing or management, fundraising and outreach, social media promotion, app development, volunteer tracking, blogging, writing or editing, graphic design, photography, marketing/branding, video development, staff support, administrative virtual assistant, phone outreach, and so much more.

How can you become a virtual volunteer? If you are looking for ways you can help during the COVID-19 pandemic and beyond, start by going to [www.servewyoming.org](http://www.servewyoming.org) and clicking on COVID-19 Initiative. Here you can search by zip code, agency, or area of interest across our state. From there you can look at multiple different categories and opportunities. You can also call us at (866) 737-8304 and we will be happy to help you find the opportunity that is just right for you!

Please note that volunteer needs are changing rapidly, so be sure to check back often for updates. It is important to volunteers, community organizations, and ServeWyoming that we all take the necessary precautions when volunteering. We value that individuals want to volunteer in this time of need to ensure that the most vulnerable in our community continue to receive necessary services however, personal health and safety are always of primary importance. Please consider ways to volunteer virtually, by phone, following social distancing requirements or donations.

*Shelly J. McAlpin*

Thank you, Wyoming!

# What is AmeriCorps?

AmeriCorps engages more than 75,000+ Americans in intensive service each year at nonprofits, schools, public agencies, and community and faith-based groups across the county.

**Since the program's founding in 1994, ONE MILLION plus AmeriCorps members have contributed more than 1.2 billion hours in service across America while tackling pressing problems and mobilizing millions of volunteers for the organizations they serve.**

Governor Gordon announced the 2019-2020 AmeriCorps award recipients on September 4, 2019 to six deserving Wyoming programs that will have 143 members serving our state who will earn close to \$332,000 in Segal Education Awards. Members will apply their skills and ideals towards helping others and meeting critical community needs. As they serve, they also develop valuable job skills and experience, as well as earn a modest education award, which will enhance their careers.

AmeriCorps States is a program of the Corporation for National and Community Service which supports a wide range of community goals in Wyoming that engage citizens, along with thousands of other Americans across the country, in intensive community service each year in the areas of education, disasters, economic opportunity, environment, healthy futures, veterans and family services.

**If you are an organization who wants to host an AmeriCorps program or someone looking to serve your community with purpose, call ServeWyoming at 307-234-3428.**

# VOLUNTEER OPPORTUNITIES

It is important to volunteers, community organizations, and ServeWyoming that we all take the necessary precautions when volunteering. We value that individuals want to volunteer in this time of need to ensure that the most vulnerable in our community continue to receive necessary services, however, personal health and safety are always of primary importance. If you are feeling ill or exhibiting symptoms, please consider ways to volunteer virtually or by phone to limit the potential for viral transmission. We encourage you to view the CDC recommendations for age limits and health status when considering volunteering.

**NOTE: Scattered throughout the Volunteer Opportunities section are COVID needs. They are new needs specific to the COVID response, an area where they are having surge needs. Many are done virtually or with proper social distancing and PPE to ensure safety. These volunteer opportunities will have a light blue background behind them. # GIVE Pro Bono

Are you looking for ways to utilize your skills to make a positive impact on your community? Apply your skills to the greater good. Join ServeWyoming's Professional Volunteer Network! This is a network of Wyoming professionals who are committed to driving social change in their communities by donating their time and expertise to help build the capacity of local nonprofits. This is a great opportunity to develop skills, teach others and learn more about the nonprofits in your community.

Rather than cash grants, ServeWyoming facilitates grants of professional consulting services called "Service Grants." Once you have applied, you will be matched with a qualified nonprofit that has been awarded a "Service Grant" that requires skills similar to your own. The Professional Volunteer Network member works with the nonprofit on a **short-term, specific project** designed to build capacity within their organization.

**We are continually looking for ways to expand the program and are always in need for more professional volunteers willing to donate their time and expertise to a community organization in need.**

Help us help the wonderful nonprofits that do so much in your counties by applying to "Give Pro Bono" today!

**If you are interested in applying, please go to [www.servewyoming.org](http://www.servewyoming.org) and click on "Give Pro bono" or call us at (307) 234-3428.**

# GET Pro Bono

Rather than cash grants, ServeWyoming facilitates grants of professional consulting services called "Service Grants." Awardees are granted the help of one of our Professional Volunteer Network members who work in a variety of fields and are interested in sharing their skills with a qualified nonprofit.

**The professional volunteer will work with your nonprofit for a short-term, specific project designed to build capacity within your nonprofit.**

ServeWyoming partners with many organizations doing important work in a range of issue areas. Unfortunately, our own funding limitations keep us from awarding Service Grants to all organizations that apply and our ability to match you with the services you seek is highly dependent on the availability of professional volunteers. Organizations are strongly encouraged to apply as early as possible, so we may also search for volunteers to fulfill the expertise you seek.

**Please visit [www.servewyoming.org](http://www.servewyoming.org) and click on "Get Pro Bono" to review the grant criteria before you apply.**

If you have questions regarding our grant criteria or the content of any of our Service Grants, please contact the ServeWyoming office, and we will be happy to answer your questions. The next grant application cycle is TBD. Please check our website often for announcements.

## Apply your professional skills to the greater good in your community!

**Are you looking for ways to utilize your skills to make a positive impact on your community?**

Through a mutual partnership with Wyoming community colleges and nonprofits, ServeWyoming is re-launching the Professional Volunteer Network (PVN- AKA Pro Bono)/ Service Learning (SL) Initiative. PVN/SL is designed to lead, mobilize and engage Wyoming volunteers and degree-seeking community college students to give their time, professional expertise and applied learning to nonprofits in need of volunteer management and capacity building support, in the form of short-term, training focused projects known as Service Grants.

Join this network of Wyoming professionals and student service learner teams who are committed to driving social change in their communities by donating their time and expertise to help build the capacity of local nonprofits. This is a great opportunity to develop skills, teach others, and learn more about the nonprofits in your community.

## Emergency Response Volunteers Needed!!

**Are you ready to help your community?**

**MAKE A DIFFERENCE IN YOUR COMMUNITY BEFORE, DURING, AND AFTER A DISASTER**

A major disaster could occur at any moment and quickly overwhelm the capacity of Natrona County's local response organizations. Recovery of our communities after a disaster is dependent on adequate resources and trained volunteers. Spontaneous unaffiliated volunteers who show up at disaster sites, though well meaning, can slow down the response process and place themselves and others at risk. The pre-registration of potential volunteers enhances your community's ability to mobilize appropriate emergency response

volunteers as needed. By pre-registering with ServeWyoming, Natrona County residents will be prepared to use their valuable skills, talents and experiences when and where they are needed most.

**ServeWyoming wants you to: Get registered BEFORE a disaster strikes!**

**If you are interested in applying, please go to [www.servewyoming.org](http://www.servewyoming.org) and click on "Give Pro bono" or call us at (307) 234-3428.**

# Improving Lives Through Service

Parker Walton serves as a mentor for Big Brothers Big Sisters of Northwest Wyoming as an AmeriCorps member mentoring youth in Fremont County. During this unfortunate pandemic he has had a couple of great opportunities to help in the community. Since the day of service was cancelled in March, he was able to get out and continue serving the community cleaning up trash around the football field of the local High School. He has also been able to help support the local School District by mentoring High School aged youth every day, as education was delivered virtually. He also found a way to catch up with his "little" and send him a care package to keep him in good spirits.

**~Parker Walton, AmeriCorps Member at Big Brother Big Sisters of Northwest Wyoming**

Big Brothers Big Sisters of Northwest Wyoming had a business donate some awesome art kits to us and Brandi Maxon, an AmeriCorps member with BBBS of NW WY delivered this little gift to our Littles as an activity to do with their families. It has been so fun to see the creativity of AmeriCorps members as we all adjust to COVID-19 and look for ways we can serve youth in our communities and make a BIG impact.

**~Brandi Maxon, AmeriCorps Member at Big Brother Big Sisters of Northwest Wyoming**

Megan considers herself fortunate to be matched for her Volunteer Generation Fund (VGF) Service Learning Project (SLP) with a local suicide awareness/support group, Never Forgotten 77. In her lifetime, she had little exposure to suicide and the dark affect it has on friends and family. It was a pleasure to help this organization expand their social media marketing to reach those who need their services, learn more about their background on what drives their passion for this project, and how this nonprofit group benefits the citizens of Casper. This VGF SLP helped direct people when/if the need arises to get the assistance, they need to keep living their life, to see the light at the end of a dark tunnel. Megan sees the importance in giving back to the community that has helped her grow so much in the last decade as well as showing her children the importance of supporting community members in need. "We're Wyoming strong and proud!"

**~Megan Miller, VGF Student Service Learner**

Ashley is currently a first semester Casper College nursing student. Her passion for service started when she was young and volunteered with her mother in various capacities including March of Dimes, Habitat for Humanity, canned food drives, and Bowl for Jason's Friends Foundation. As an adult, she has continued her volunteer efforts and held board positions for a local non-profit. She was excited to learn about the VGF program and the opportunity to again be of service to her community through work with the Wyoming Rescue Mission. There she was able to serve homeless members of our community during the COVID-19 pandemic as a symptom checker. This opportunity provided her with insight regarding her future career as a nurse and one of our community's at-risk populations. This experience solidified her belief that we all need to do what we can to support our fellow community members during this difficult time and reinforced that a strong sense of community is important on our hardest days.
